The Nikon Difference. It's uncompromising precision and technology that places every Nikon ahead of its class.

If you've never held a Nikon in your hands, you've yet to know the sense of utmost precision ... of supreme responsiveness that tells you unmistakably this camera indeed is different.

You can enjoy this satisfying experience with any of today's Nikon cameras, even the least expensive. All express the same fundamental concept: that every Nikon must be designed and engineered to be the best in its class. And so, in every Nikon, you will find a rugged, lightweight metal body and metal shutter. A center-weighted meter system of proven accuracy, using exclusive Nikon electronics. A finder born of Nikon space camera technology resulting in superior brightness and fast, positive focusing accuracy. Gold-plated motor drive contacts, to assure corrosion-free reliability. In short, uncompromising excellence in every detail.

To these, each Nikon adds its own, special qualities. For Nikon photography at its easiest, choose the low-cost, ultra-compact Nikon EM, with full exposure automation. For automation plus wide-ranging creative controls, the Nikon FE auto compact offers highest quality at a moderate price. If you prefer to select your own exposures, aided by accurate one-step metering, the rugged, versatile and easily affordable Nikon FM compact is for you. And, for the perfectionist, nothing can compare to the new Nikon F3 — the professional standard for the 1980's.

Behind them all stands the Nikon system, the most comprehensive ever created for 35mm slr photography. Nearly 70 world famous lenses, plus accessories for any and all applications, all quality-matched to your own Nikon, are ready to help you meet the challenges of today and tomorrow. See your Nikon dealer. Or write to Dept. N-45, Nikon Inc., Garden City, N.Y. 11530. Subsidiary of Ehrenreich Photo-Optical Industries, Inc.

TURN A WEEKEND A MONTH AND TWO SUMMERS INTO $11,000 FOR COLLEGE.

Unlike many part-time jobs, ours fits into your schedule conveniently and is less likely to hurt your grades.

Because you only spend 16 hours a month with us during the school year, and it's usually on a weekend. The rest of your training is during the summer.

VALUABLE TRAINING.

Instead of the usual boring, dead-end part-time job, we give you a chance to do something challenging.

At the same time, you'll learn a valuable job skill. Like Surveying. Auto Mechanics. Or one of many other career specialties, depending on your qualifications and your local unit's needs.

$4,000 JUST FOR ENLISTING.

The first $4,000 of the $11,000 we mentioned is the college aid that many units still offer high school graduates as an enlistment incentive. It's paid in yearly installments of $1,000 so you'll stay in college. (Not all units offer the college aid, so check with your recruiter.)

You can make another $4,000 from the monthly training sessions.

The remaining $3,000-plus comes from summer training which pays you over $500 a month. This includes eight weeks of Initial Entry Training one summer, two-to-four months of job skill training the following summer, and yearly two-week training sessions.

The summer training usually gives you a chance to get out of town for a while.

PLUS THE BENEFIT OF STAYING HOME.

Remember, this is the Army Reserve you're joining. So, with the exception of summer training, you'll be serving at your local Reserve Center.

For more information, see your Army recruiter. To locate the recruiter nearest you, call toll free 800-421-4422. In California, call 800-252-0011. In Alaska, Hawaii or Puerto Rico, call 800-423-2769.

The class break scheduled for October 2, 1981, has been moved to October 9, 1981. This change was necessitated because of a conflict in use of the Coliseum by the West Tennessee Educational Association and Mid-South Fair events. WTEA will meet on October 9 in order to be able to use both the Coliseum and University facilities.

Off-Campus Registration Calendar

Late registration fees are assessed beginning on the first day of classes or the first scheduled late registration thereafter.

All appropriate calendar deadlines are the same for off-campus academic credit courses as for on-campus courses. See "MSU Summer Calendar." However, off-campus instructors at Jackson should turn in grades to Mr. McAlphin on the Friday before grades are due in the Records Office.

Times, dates, and locations of other off-campus registrations are to be announced.

** Students may register for courses offered during the first, extended, nine-week and second summer terms. Students who have not previously enrolled for the second summer term may do so at the second summer term registration.*

*** Students desiring to register late for the second summer term at Jackson should contact the Memphis State office at Jackson State Community College.*

IMPORTANT NOTICE FOR ALL REGISTRANTS

All persons registering for courses need to be aware of two procedures that went into effect with the 1980 fall registration.

(1) No person will be allowed to enter the Registration Center while owing any money to the University. Everyone attempting to register will be checked for any outstanding fees or fines. Those persons having an outstanding indebtedness to the University must clear these obligations before attempting to enter the Registration Center.

(2) Any person placing his/her registration materials in the Referral Center will be made aware of the date and time they need to return to claim these materials. After that time, any class cards left with the Referral Center will be returned to the various academic departments.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after May 1, 1981, cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 167, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's perma-

nent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification
All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age and Totally Disabled Persons
Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of $9 per semester hour, not to exceed $75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

Registration dates for the four terms of the Summer Session 1981 are found in the MSU Summer Calendar. Specific details of these registrations are as follows:

Pre-Summer Session: Registration for this term only is on May 11. Students should report to the Field House for registration at the time they are assigned. Students are assigned registration times by student classification and should refer to the information card included in the packet of registration materials for these times. Registration material is mailed prior to the Pre-Summer Session registration and may be used for this term or any subsequent one. Although the "Registration Appointment Card" should be processed during registration, the time on this card should be ignored for Pre-Summer Session registration. Additional registration material is mailed to those who register for Pre-Summer Session courses so that subsequent registration may be possible.

First Summer and Extended Terms: Students must register on June 2 or 3 for courses offered during the First and Extended Terms. Students may also register on these dates for courses offered during the Second Summer Term. The time on the "Registration Appointment Card" must be used for this registration. The specific dates for adding and dropping courses are in the MSU Summer Calendar.

Second Summer Term: Students who have not previously enrolled for Second Term courses may do so on July 13. Students are also permitted on this date to add and drop Second Term courses for which they have previously enrolled. A special "Add/Drop Appointment Card" is sent prior to the Second Term Registration to all students who have previously registered for courses.

NOTE: Students registered for the First Term do not register for the Second Term. They add courses with a "Change of Course" application.

IMPORTANT:

1. Read carefully all instructions found in your registration materials.
2. Registration on June 2 or 3 will insure class space in the course being taught in the Second Summer Term.
3. Students registered for the First Term or Extended Term **do not register again** for the Second Term. They add courses with a "Change of Course" application.

Students who do not register on June 2 or 3, but who wish to register for Second Summer Term courses must report at the times indicated on the card accompanying the registration materials.

A $5 add/drop charge is not charged on course changes processed on July 13. The charge will apply to adds/drops processed at any other time during the scheduled add/drop period. Students who fail to register during the regular registration periods may do so during the late registration periods. A charge of $10 late registration fee is made.

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students
Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Adviser Locater Station in the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, also in the Old Cafeteria of Jones Hall, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During scheduled evening hours of late registration, advising is available in the Late Registration Center. During the day (8:30 am-4:00 pm) academic advising occurs in the academic department or in the Academic Advising Unit in Scates Hall. Faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Office of the Department Chairman or in the Late Registration Center.

New and Readmitted Students (Undergraduate)
Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Registration calendar for date and time.) All new

freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. This should be done prior to the new student orientation session. Students who have not seen an adviser will be assigned one during the orientation session.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

New and Readmitted Students (Graduate)
New Graduate School students are directed to an adviser following their admission. Students who are classified as Graduate Special or Graduate Provisional, should go to the Graduate School Office, Room AD 315, for an adviser. An orientation session for new graduate students is held on the morning of graduate registration.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

New and Readmitted Students (Evening)
New and readmitted evening students should secure required information about registration and advising in the Evening Academic Service Office, Room AD 167, telephone 454-2398. Graduate students attending in the evening should follow the procedures outlined under "New and Readmitted Students (Graduate)" above.

Unclassified, Special Undergraduate, and Audit Students
Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students
Registration materials are mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students
New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

Handicapped Student Registration
A preferred registration procedure is provided for some disabled students to allow them reasonable opportunity to schedule around special disability-related needs and to eliminate the architectural inaccessibility of the regular registration process. Those eligible for this service include students with mobility impairments, their personal care attendants and others who need special scheduling to accommodate medical or educational needs arising from a disability.

Handicapped Students Registration is begun prior to regular registration. Students using this procedure should see their adviser, complete the "Student Schedule" form in full and take it to the Coordinator of Handicapped Student Services well in advance of the beginning of regular registration. A duplicate of the schedule will be made, and the class cards will be pulled for the students prior to regular registration. Each student's class cards will be placed in an envelope marked with his name. These envelopes will be held in the late registration center.

The student may pick up the reserved class cards and complete the remaining registration procedures anytime during late registration. Students who have cards reserved in this manner will not be charged a late registration fee.

For further information and specific details please contact Coordinator of Handicapped Student Service, Room 215, Scates Hall or call 454-2880.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. Appointment times do not reflect hours earned during the current term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses
Credit/No-Credit Courses — Certain students, **with permission from the dean of their college,** may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic adviser's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

Late Registration
Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. New students will be given information concerning ID cards in their information sessions. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 208 Scates Hall. A student will be charged $10.00 to replace a card that has been damaged, stolen, or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students may not register until all outstanding financial obligations have been cleared.

Returned Checks
It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A $5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check writing privileges will be revoked for any student who has had checks returned by his bank more than twice within a twelve-month period.

FEES AND DEPOSITS

Application Fee
Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of $5.00.

Maintenance Fee
All students, whether in-state or out-of-state, pay a maintenance fee. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Summary of Course Fees
These fees are tentative and are subject to the approval of the State Board of Regents.

Undergraduate Per Hour	$26
Graduate Per Hour	32
*Out-of-State Per Hour	53

**This fee is in addition to the hourly fees listed above.*

Fees for audits will be assessed on the same basis as fees for credit courses. There are no maximum fees during the summer sessions. All fees are based on the above per hour charges.

The activity fee is not applicable to the summer.

Tuition
Students classified as non-residents are charged an additional $53.00 per semester hour. (Note that tuition is in addition to the maintenance fee. See Summary of Course Fees above.)

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

University College Fees
In addition to their $5.00 application fee, students who apply to the University College must pay a screening fee of $15.00,

which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of $25.00.

Students who apply for credit for experiential learning will pay $15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of $90.00 will be assessed for credits assigned under the terms of the group contract.

Courses in Applied Music
The fee of applied music shall be $30.00 per semester for each one-half hour lesson.

Music Locker Deposit
Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of $3.00 for one semester or $4.00 for two semesters is required on each locker issued. This deposit, less a service charge of $1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration
Each person who expects to operate and park any motor vehicle on the campus must pay $5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of $4.00 is charged for vehicle registrations after January 1, and $2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

Air Force ROTC Deposit
A uniform deposit of $10.00 and a $5.00 activity fee are required of each student who enrolls in the Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits
Certain courses in chemistry require breakage deposits from $10.00 to $20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee
Students enrolled in physical education courses must pay a fee of $4.00 for the locker and towel issued them. Students must provide their own lock.

Late Registration
Students who do not complete registration (including the payment of fees) during the official registration period will be charged $10.00 for any late registration following the official registration period.

Adding and Dropping Courses
A fee of $5.00 will be charged for each change of course transaction processed, regardless of the number of course or section changes included on the form(s).

Transcripts
There is no fee for transcripts. However, the student will be charged $1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee
Each candidate for a degree from Memphis State University pays a $20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

STUDENT FEE REFUND PROCEDURES

Maintenance Fees, Out-of-State Tuition, Music Fees
The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the term calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two and one-half weeks after classes begin.

Appeal Procedures for Fees and Refunds
A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination
The fee for taking an examination for credit is $15.00 minimum and an additional $5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

(5) CHANGING ENROLLMENT STATUS

Change of Course
After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISOR. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change of course transaction before it is processed. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has been closed and is reopened later. The University reserves the right to cancel courses or sections or to combine sections.

Withdrawal Procedures
Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

(1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
(2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 167, Administration Building
(3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

Change of College or Major
Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences
Dean's Office — MI 219
Business Administration
College Advisor — BO 426B
Communication & Fine Arts
Dean's Office — MJ 300
Education
College Advisor — ED 211
Engineering
College Advisor — EN 259
University College
Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

Change of Adviser
Students may change adviser by making application to the college in which they are currently enrolled. After being assigned an adviser, the student should come immediately to the Records Office.

Change of Name, Address, or Social Security Number
It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, are mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

Withholding of Grade Reports
The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University *Bulletin*.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 167, Administration Building, between the hours of 12:00 Noon-8:00 p.m. Monday through Thursday, and 8:00 a.m.-12:00 Noon on Saturdays.

PRIVACY RIGHTS OF PARENTS & STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy may be found in the following offices: Associate Dean of Admissions and Records (Records); Dean of Admissions and Records; University Counsel. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Educational Rights and Privacy Act may be referred to the office of the Associate Dean of Admissions and Records (Records).

DIRECTORY INFORMATION

"Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, the student's full or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office, Room 115 (Attention: Assistant Director of Records) a written request that directory information not be released. This notification is effective only for the semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

ALL UPPER DIVISION HONORS COURSES REQUIRE THE PERMISSION OF THE DIRECTOR OF THE UNIVERSITY HONORS PROGRAM.

Technics linear-tracking turntable. Program it to play any cut. In any order. Even upside down.

Once again, Technics makes turntable history with the introduction of the world's first programmable linear-tracking turntable. The direct-drive SL-15 does what no other turntable can: Automatically plays the record selections you want with zero tracking error, and skips the ones you don't.

The SL-15's microcomputer and infrared optical sensor let you play up to 10 cuts per side, in any order. Just press the program keys in the order of the selections you want to hear. And with the repeat button, the SL-15 can repeat the entire program or any selection.

The fact is, the SL-15 will perform virtually any turntable function, automatically. It selects the record size and speed, finds the lead-in groove and begins playback at the touch of a button. And it does it more accurately than you can.

More proof of the SL-15's accuracy is its quartz-locked, direct-drive motor and dynamically-balanced, linear-tracking tonearm. In addition to tracking perfectly, the SL-15 plays a record as accurately upside down as it does right side up.

Technics also offers other linear-tracking turntables, including our famous SL-10 and our new SL-7. But whichever turntable you choose, all prove when it comes to linear-tracking, Technics is a cut above the rest.

$39.95*.
You can't buy this much tape recorder for less. Much less a Panasonic.

The only thing that could possibly sound better than this Panasonic SlimLine™ tape recorder (RQ-2735) is its price. An amazingly slim $39.95! For a tape recorder so slim and yet so fat with features you'd expect it to cost twice as much.

Next to its price, its best feature is its size... a go-anywhere, fit-anywhere 1⅞" slim. And now the AC is built right into the unit, so there's no bulky external adapter, like you find on so many tape recorders. Also built in is a whole collection of features to make recording a cinch. There's a one-touch record button. A built-in condenser mike to give you a free hand. Lockable pause control, so you can stop and think without shutting off the recorder. And even an edit function that lets you correct recording mistakes easily.

For problem-free playback, there are cue and review controls to help you find what you've recorded. And Auto-Stop automatically shuts off the unit at the end of the tape.

So many features. In such a slim package. $39.95 has never sounded better!

*Recommended price, actual price will be set by dealers. Batteries not included.

SECTION III
INFORMATION ABOUT
FALL 1981 COURSES

ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized.

Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to August 1, 1981. Anyone failing to do so cannot be assured of being considered for admission.

Any student who meets admission or readmission requirements after that date cannot be assured of registration before the first day of classes.

TENTATIVE COURSE OFFERINGS FOR FALL 1981

Listed below are courses which are tentatively planned to be offered during the Fall, 1981. These offerings are based on a projected demand and are subject to change. This listing does not constitute a commitment that a course will be offered. Current plans may be altered by unforeseen circumstances. The **Schedule of Classes** should be consulted for those courses which have received final approval to be offered.

GRADUATE AND UNDERGRADUATE ISSUE 1980-1981
MEMPHIS, TENNESSEE APRIL, 1981

Memphis State University offers equal educational opportunity to all persons without regard to race, religion, sex, creed, color, national origin, or handicap. The University does not discriminate on these bases in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for University compliance with Section 504 of the Rehabilitation Act of 1973 is the Vice President for Student Educational Services.

English Placement Essay

The English Placement Essay will be required of students scoring below 19 on the ACT English (or below SAT Verbal score of 450) to determine whether students should register for English 1101 (the regular course in essay writing) or English 1100 (an intensive review of fundamentals with a concentration on mechanics, sentence structure, and paragraph writing for those needing extensive help in mastering basic skills).

The following courses were approved for inclusion in the offerings of the University after 1980-81 Catalog issue of the University *Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University curriculum.

The Possibilities are Endless.

Shutter-Priority: 1000 5.6

Six-mode exposure control. System versatility. Newer electronics for wider applications.

The Canon A-1 is one of the world's most advanced automatic SLR cameras. Combining the finest in optical and mechanical engineering with the most sophisticated electronics, it's technology applied to give you the ultimate in creative control. At the touch of a button.

Depending on your subject, you can choose from six independent exposure modes to achieve the results you want:

1 Shutter-Priority: You select the shutter speed, to freeze the action and prevent camera shake or create an intentional blur. The A-1 automatically selects the appropriate lens opening.

2 Aperture-Priority: Control the area in focus by selecting the lens opening for the effect you want. The A-1 matches with the right speed.

3 Programmed: When you need to shoot fast, just focus. The A-1 will select *both speed and aperture* for great results.

4 Stopped-Down: For extreme close-up or specialized photography, a bellows, a microscope or almost anything can be attached to the A-1. It's still automatic.

5 Flash: Totally automatic flash photography, of course, with a wide variety of Canon Speedlites to choose from.

6 Manual: Yes. For those times when you absolutely want to do it all yourself. To experiment. To explore the possibilities.

There are over forty fine Canon lenses ranging from Fish Eye to Super Telephoto, plus accessories to meet every need. If you can't photograph your subject with a Canon A-1, it probably can't be photographed.

From the sophistication of its LED viewfinder display, to a ruggedness that allows up to five-frame-per-second motor drive, the Canon A-1 represents an incredible technology. At a price that makes owning one a definite possibility.

The Dashboard Wizard.™ Before, there was only car stereo.

Put aside everything you've been told about car stereo. The Dashboard Wizard is with us!

He's the latest in-dash audio marvel from Fujitsu Ten. A preamp combination system that will transform your car. The precise digital electronic tuner memorizes your favorite 7 AM and 7 FM stations, with search up, search down and scan tuning, FM muting and local/distance switch. There's even a quartz clock.

Hit the equalization switch and, presto, the auto-reverse cassette deck accommodates chrome and metal tapes.

With a Life Time Metal (LTM) playback head that's built to last well into the future. His five-band graphic equalizer lets you match the music to your car.

Performance? Miraculous, of course. Wow and flutter is .09% nominal—one of the best specs in car stereo. And with Dolby* on both FM and tape, hiss is a thing of the past.

Hear the Dashboard Wizard at your Fujitsu Ten dealer. Any resemblance to ordinary car stereo is a figment of your imagination.
